Dear Parties,

On February 8, 2019 the Nunavut Impact Review Board (NIRB or the Board) received the attached correspondence from the Kivalliq Inuit Association formally requesting to extend the deadline for submission of Information Requests (IRs) in support of the reconsideration process for the Whale Tail Pit Expansion project proposal (NIRB File No. 16MN056).

The NIRB acknowledges the request, however will not be able to grant the extension at this time without being able to determine if there is sufficient justification. Going forward, parties are expected to submit IRs on or before February 21, 2019.

All information pertaining to the Whale Tail Pit Expansion Project proposal can be accessed online via the NIRB's public registry at www.nirb.ca/project/125418.

If you have any questions or require additional information regarding the NIRB's assessment of this project proposal, please contact Erin Reimer Technical Advisor I at ereimer@nirb.ca or (867) 857-4566 or Sophia Granchinho, Manager Impact Assessment at sgranchinho@nirb.ca or (867) 857-4829
