Dear Parties

On November 30, 2018 the Nunavut Impact Review Board (NIRB) received an extension request from Agnico Eagle Mines Ltd. (Agnico Eagle) to submit an updated Kivalliq Project Socio-Economic Monitoring Program (SEMP) as required under Project Certificate No. 008, terms and conditions #45, #46 and #50. The NIRB finds this extension request reasonable and looks forward to receiving the updated Kivalliq SEMP in June 2019. Further, the NIRB looks forward to receiving the Terms of Reference for the multi-party, multi-project Working Group as per terms and conditions #45 and #50 by March 15, 2019.

Information related to the extension request or related to the Project Certificate No. 008 for the Whale Tail Pit Project can be found on the NIRB's online public registry at: www.nirb.ca/project/124683.

Should you have any questions or require additional information regarding the NIRB's monitoring of the Whale Tail Pit Project, please contact Erin Reimer, Technical Advisor I, at ereimer@nirb.ca or (867) 857-4566 or Sophia Granchinho, Manager Impact Assessment at sgranchinho@nirb.ca or (867) 857-4829.

Best regards,

Cassel Kapolak
Environmental Administrator
