Re: NIRB File No. 16MN056 Application No: 124683/ NWB File No. 2AM WTP ---- : Information on Public Record

Dear Ms. Granchinho and Mr Kharatyan,

As part of Agnico Eagle submission made to the NIRB and NWB on April 19, Agnico Eagle included the following document: Doc 105-1658927_Caribou_Workshop2_Summary_Final.pdf

Agnico Eagle respectfully requests that the aforementioned document be removed from the public record and replaced with the current “draft” attachment:

- Doc 105-1658927_Caribou_Workshop2_Summary_DRAFT.pdf

In error the meeting summary report was provided to NIRB and NWB without having given the participants an opportunity to review the document and provide any comments. Moving forward, Agnico Eagle will be providing the participants with this opportunity prior to finalization of the meeting summary report. Once finalized Agnico Eagle will provide the “final” document to the Boards for the public record.

We apologize to the workshop participants and the Boards for this omission and appreciate the Boards assistance to clarify the current record. Should you have any questions or require further information, please contact the undersigned.

Regards,
