Good afternoon,

As stated in its August 14, 2019 correspondence the Board directed the NWB staff to hold a Technical Meeting and Prehearing Conference (TM/PHC) in Baker Lake the week of October 28, 2019. On October 1, 2019, the NWB received correspondence from Agnico Eagle, requesting that the TM/PHC be conducted via teleconference. After careful consideration of the technical review comments provided by the intervening parties and the Applicant's responses3, the Board concluded that holding the TM/PHC in-person in Baker Lake would be appropriate. Therefore, the NWB advises the parties that Tuesday, **October 29, 2019 and Wednesday, October 30, 2019** are set as dates for the Technical Meeting and Pre-hearing Conference, respectively, at the Community Hall, Baker Lake, Nunavut.

In preparation for the TM/PHC, the Board has attached a copy of a draft Agenda and requests that interested parties provide relevant comments to the NWB's Licensing Department at licensing@nwb-oen.ca by 3:00 p.m. MT, Friday, October 18, 2019. In addition to comments on the draft Agenda, interested parties are asked to also provide the following information along with their submissions:

- · Confirm the attendance of their organization, group or individual;
- Provide the names of the individuals who will be participating on their behalf in the TM and PHC respectively; and
- Identify whether they wish to make a formal presentation of their submissions during the Technical Meeting.

Following receipt of this information the NWB will distribute a final version of the Agenda in advance of the TM/PHC, as well as the names of the participating organizations and/or persons who have confirmed their attendance.

Regards,

Richard
