Hello Assol and Karen:

We have listed Agnico Eagles participants for the technical meeting and pre-hearing conference that will be based in Baker Lake on October 29th and 30th. We have divided the Agnico Eagle participants into two teams, one in the north at Baker Lake and the other in the south. Agnico Eagle requests that a tele-conference line be setup for participants. In addition, as a backup, Agnico Eagle will setup a "soft phone" via our computer to be used as conference line for Agnico Eagle participants.

Agnico Eagles participants are:
