Good Afternoon,

Please find attached Environment Climate Change Canada's presentation for the Whale Tail Pit Expansion Project Technical Meeting to Be Held in Baker Lake October 29 to 30, 2019. ECCC would like the board to be aware that we are currently meeting with the Proponent and may need to submit a revised presentation next week should we resolve our outstanding Technical Comments.

Environment Climate Change Canada has no comments on the draft agenda issued by the Nunavut Water Board for the Technical Meeting. E

CCC will have myself, Eva Walker, in attendance at the meeting in Baker Lake and will have Trish Auser and Reg Ejeckam calling in on the teleconference line.

Regards,

Eva
