Hello,

Attached is ECCC's final hearing presentation as well as a shorter community presentation. I have also attached the executive summary in English, French and Inuktitut as requested. The Final Public Hearing will be attended in person by ECCC's senior water quality analyst Anne Wilson, I will call in on the teleconference line.

ECCC will also have Augusto Gamero, Senior Program Officer with ECCC's Mining and Processing Division in attendance who will be observing the hearings, and will be consulting with parties on February 11 regarding MDMER Schedule 2 authorizations.

If you have any questions or issues with the documents please let me know.

Regards,

Eva
