Hello Richard,

Upon our initial assessment, CIRNAC finds that the responses submitted by Agnico Eagle Mines to address CIRNAC comments on the Whale Tail Adaptive Management Plan were not completely satisfactory. We would like to request an extension to Friday, April 30, 2021 to provide further explanation and details in a formal submission.

Thank you,

Bridget Campbell

Hi David,

Attached is NPC letter referenced in AEM response.

Regards,

Richard

Good morning,

The Nunavut Water Board requests response by Tuesday April 27, 2021 whether or not the attached AEM response addresses CIRNA's comments.

Regards,

Richard
