Hello Michel,

As discussed with Manon yesterday, the NWB would like to include the revisions as per the Tuesday email, namely additional wording in the notes below the tables. As you may notice, the wording differs from the one proposed in the latest version of the adaptive management plan. This doesn't have to be done right away, as CIRNA would still be confirming whether their concerns had been addressed, so we can wait until then.

Best regards,

Technical Advisor - Conseiller technique ヘンペッローッコー Δbペット-Piluagnagtuliginigmun Ikayugti
