RE: 60 Day Notice - Whale Tail Emulsion Plant

Arviat

Dear Karen Kharatyan,

Baker Lake

The Kivalliq Inuit Association (KivIA) has reviewed Agnico Eagle's 60-day notice for construction of the Whale Tail Emulsion Plant and has the following comments:

Chesterfield Inlet

- The Kivallig Inuit Association has no current concerns related to the construction.
- 2. The KivIA looks froward to reviewing the updated Management Plans for Ammonia, Spill Contingency and Water.

Coral Harbour

Thank you for the opportunity to participate in this review.

Naujaat

Regards

Rankin Inlet
