Hi Richard,

I am writing to ask if there is a possibility for extension on the above referenced water licence 2AM-WTP1826 submission to August 21, 2019. Due to volume of work on staff and consultants, an extension will be appreciated for our consultants to have time to support our review effectively. Please let me know if an extension is possible.

Thanks and best regards,

Godwin Okonkwo
Manager Water Resources
Crown-Indigenous Relation and Northern Affairs Canada
