Good morning,

Please find attached Agnico Eagle Mines Limited response to Environment and Climate Change Canada's comments regarding the Whale Tail 2024 Modification for Water Licence No: 2AM-WTP1830. The Nunavut Water Board requests whether AEM's response addresses ECCC's concerns by **July 30, 2024**.

Due to the filesize the Updated Water Management Plan v13.1 can be found at the following link:
<ftp://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2A/2AM%20-%20Mining/2AM-WTP1830%20Agnico/3%20TECH/G%20MODIFICATIONS/2024>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
