Dear Phyllis,

In follow up to your letter dated April 29, 2005, Miramar Hope Bay Ltd. is providing you written notification that MHBL has decided not proceed with the SWDS project at this time.

Further to the above, MHBL will advise your department in advance of any work proceeding on this project, at which time we will provide a Final Landfill Design complete with engineered design construction drawings of the landfill containment, liner and leachate drainage system and surface drainage.

We acknowledge, upon receipt of the above noted information, the Board will require at least 60 days to process the submission and approve.

If you have any questions, or require further information regarding the above, please feel free to contact me directly at (867) 766-5311.

Sincerely,
