**Re: 2BB-BOS0712 – Renewal Application**

Dear Ms. Autut,

Exploration activities by TMAC Resources Inc. ("TMAC") in the vicinity of the Boston Camp, currently operates under Type B Water Licence No. 2BB-BOS0712 (the "Water Licence") granted by the Nunavut Water Board, pursuant to the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and its regulations, on August 2, 2012, and expires on July 31, 2017.

TMAC is submitting the following documents in order to obtain a renewal of the Water Licence in a timely manner prior to expiry:

- Renewal application form
- Summary of the application in English, Inuktitut and Inuinnaqtun (translation to follow)
- Map of the area covered by this licence
- Compliance Status
- Management Plans
- Proponent Information
- Cheque covering the application fee and water use fee deposit (copy)

TMAC is submitting this application in order to maintain sufficient licencing for exploration and use of the Boston site and associated infrastructure.

The terms and conditions of the current Water Licence have been accepted and complied with. Accordingly, TMAC is requesting a 10 year term for its Water Licence, on the current approved terms. Accordingly, please advise us as soon as possible if the Board requires any further information in order to process this renewal application.
