Subject: Miramar Hope Bay Ltd. – Boston Project – Amendment – Construction of Solid Waste Site

The Nunavut Water Board received an application for amendment on September 23, 2003 from Miramar Hope Bay Ltd., for construction of a Solid Waste Disposal Site. In July 2004 additional documentation was received on the file and it is now administratively and technically complete and ready for review.

Since NIRB screened for the possibility of a solid waste site in 2001, it was determined in 2003 that there was no need to rescreen the application.

The application documents are available through the internet on our ftp site at <http://ftp.nunavut.ca> in the folder “nwb” and sub-folder NWB1BOS0106 Boston.”

By copy of this letter to the distribution list and the enclosed notice of application sent to the council of the municipality or municipalities most affected by the application, we invite interested parties to make representations directly to the NWB within 30 days from the date of this letter.

Sincerely,
