## **List of Contacts and Meetings**

The following lists the consultations undertaken with stakeholders as part of preparing the responses to the deficiencies identified by NIRB contained in this document. In addition to the references made to meetings held with community representatives, reference is also made to contact made with individuals for information.

Records of these contacts have been filed electronically and are available upon request. Copies of the notes taken at meetings held during the first week of October 2004 in the Hamlets of Kugluktuk, Cambridge Bay, Gjoa Haven and Taloyoak were distributed to representatives of the respective hamlets.
