Dear Mr. Dwyer,

**Re: Meadowbank Type B Water License - Amendment Application: Translation of Project Description**

In addition to the main application package for the Meadowbank Type B Water License – Amendment Application submitted last week, please find attached the Inuktitut translation of the project description document “*Amendment To Water B License To Increase The Capacity Of The Existing Exploration Camp And Operate A New Exploration Camp At KM 100*”.

Should you have any questions regarding this submission, please contact me directly at 604-622-6533 or via email [rgould@agnico-eagle.com](mailto:rgould@agnico-eagle.com).

Regards,

***Rachel Lee Gould***
