Dear Ms. Ohokannoak, Ms. Kharatyan, Mr. Manzo, Mr. Vanengen:

RE: NPC File # 148261, Amaruq Exploration Project

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal modifying a previous project proposal. The activities associated with the original project proposal were previously reviewed by NPC, and a conformity determination was issued on May 26, 2008, and forwarded to the Nunavut Impact Review Board (NIRB) for screening (NIRB FILE NO.: 11EN010). A water license was issued for that project proposal by the Nunavut Water Board (NWB File No.: 2BE MEA1318).

The NPC has determined that the above-noted project proposal is a significant modification to the project, and that the significant modification conforms to the Keewatin Regional Land Use Plan (KRLUP), subject to the attached. The project proposal requires screening by the Nunavut Impact Review Board (NIRB) because it does not belong to a class of exempt works or activities set out in Schedule 12-1 of the Nunavut Land Claims Agreement as amended (NLCA).

For reference, a significant modification may include but is not limited to any one or more of the following:

- Any change to the location of the work or activity;
