Hi,

- 1- No name for the moment.
- 2- I'm just waiting some information from the Nunavut Service Group concerning the June's application they did and I'll be able to provide you the answer to this question.

Hi David,

Thank you. Two more questions:

1. Is there a name for the new camp water source?
2. Do I understand correctly that Agnico would like this application to be considered separately from the application for amendment received on June 3, 2019 and concerning the change of scope?

Thanks,
Assol
