Hi Ryan,

I was just going through submissions related to the 2BE-MEA1318, and have just noticed that AEM responses did not include anything related to the KIA comments.

KIA provided their comments sometime before the NWB comment period, I guess this is the reason that they were missed for AEM responses.

Although, the file is available at the following link, however I am also attaching it:

<http://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-MEA1318%20Agnico/2%20ADMIN/3%20SUBMISSIONS/2016%20Amendment%204/>

I will appreciate if you could go through them and provide responses, if needed, asap.

Regards,
