Re: Renewal Land Use License- KVL300C184/NWB2MEA0002/Revision /
Airstrip

NPC would like to stress to both the Nunavut Impact Review Board and the Keewatin Inuit Association that a thorough community consultation be a part of this permitting process to ensure that affected land user(s) are well informed of the proposed construction of the airstrip, and that they be given full opportunity to voice any concerns and issues.

NPC has completed its review of the above noted project proposal. It conforms to the Keewatin Regional Land Use Plan.

Attached, for your files, is a copy of the list of conformity requirements to which the applicant has undertaken to comply to.

Yours truly,

Bräutigam.
