Subject: Agnico-Eagle Mines Ltd. - Water License 2BE-MEA0813 Determination of Conformity

Dear Bobby,

I'm writing in regards to correspondence from the Nunavut Water Board (NWB) dated April 15, 2008 requesting the Nunavut Planning Commission to initiate a conformity review of the amendment application for water license 2BE-MEA0813 submitted by Agnico-Eagle Mines Ltd (AEM). To date, AEM has not received a conformity application from the NPC and I'd like to confirm whether or not any paperwork has been faxed to our office in the event that the fax did not go through. Is the application required for determination of conformity on an amendment to an existing license?

Thank you for your assistance.

Best Regards,

Katheryn
