Dear Ms Payette, Mr Manzo and Ms Beaulieu,

Re: KIA KVL108B19 – Agnico-Eagle Mines – staking & prospecting – Kivalliq

The NPC has completed its review of the above noted project proposal. It conforms to the Keewatin Regional Land Use Plan (KRLUP), subject to the attached.

By this letter and additional enclosures, the NPC is forwarding the project proposal with this determination to NIRB for screening.

The applicant has undertaken to comply with the attached requirements. The authorizing agencies to which this letter is addressed are responsible under the *Nunavut Land Claims Agreement* to implement any of the attached requirements by incorporating the requirements directly, or otherwise ensuring that they must be met, in the terms and conditions of any authorizations issued.

My office would be pleased to discuss with these agencies how best to implement these requirements and to review any draft authorizations that the agencies wish to provide for that purpose.

This conformity determination applies only to the above noted applications as submitted. Therefore, the proponent must ensure other applications for a permit under this project proposal not listed above are forwarded to NPC for a conformity determination against the KRLUP, and please notify the NPC immediately if any material change to the project proposal is made before authorizations are issued.

Yours Truly,

A handwritten signature in black ink, appearing to read 'Bobby Suluk'.

Bobby Suluk
Regional Planning Coordinator, NPC

15 Project Summary.

Agnico-Eagle Mines Ltd. would like to initiate staking and prospecting activities on Inuit Own Land IOL RJ-15 on map sheet 055M and 055N to the south East of the Baker Lake community. In order to do so, Agnico-Eagle Mines Ltd will use Helicopter support four men's prospecting crew in August and September 2008. The operation will be conducted from the Baker Lake community and no infrastructure will be built in 2008.
