Good afternoon;

The Nunavut Impact Review Board (NIRB) is following up on correspondence that was submitted to authorizing agencies and the Nunavut Planning Commission (NPC) regarding Agnico Eagle Mines Ltd.'s application for its "Amaruq IVR Winter Access" project proposal.

The attached correspondence was sent on October 30, 2014 requesting authorizing agency referral and NPC conformity determination for the NIRB to continue with its screening for the noted project proposal.

We ask that the authorizing agencies and the NPC provide the NIRB with an update on their respective process.

Best regards,

Stephanie Taptuna

Environmental Administrator
