Dear Mr. Alexander:

**Re: Land Use License No. KVL300C184
Meadowbank Area**

Enclosed is a copy of Land Use License No. KVL300C184 authorizing your project as described in your application dated January 8, 2001 and General Receipt No. 070 for the application fee submitted.

The Community Land and Resource Committee of Baker Lake and the Nunavut Planning Commission have reviewed your application and do not have any concerns regarding it. The issuance of this licence indicates that, as a result of this environmental screening process, it was decided that the potentially adverse environmental affects that may be caused by your proposal are mitigable with known technology and are not significant. The terms and conditions in the license will, in our opinion, provide the necessary protection to the environment.

Please sign **both** copies of this license, retain page 1 for your records and send page 2 back to the Kivalliq Inuit Association Lands Department. This license will not become effective until we have received a signed copy. Please ensure that you adhere to the operating conditions annexed to your license.

We are issuing this license for the portions of land that are on Inuit Owned Land. To gain access to crown lands, approval must be obtained from Indian and Northern Affairs Canada, Land Administration, P.O. Box 1500, Yellowknife, NT X1A 2R3, Phone (867)669-2713, Fax (867)669-2673.

Should you have any questions regarding any conditions of this license, please contact either myself or Luis Manzo at the Kivalliq Inuit Association in Rankin Inlet.

Yours truly,

Tongola Sandy
Chief Land Administrator
