Hello Karen,

As per our telephone conversation, we request that drilling from the barge and associated activities be carried forward and continue to be included in our Type B License.

Thanks,

Ryan

Hi Ryan,

A quick question in addition to my previous email. The January 2016 Amendment 3 allowed AEM to drill from a barge on 2 lakes (Whale Tail, Mammoth). Do you still need this to be carried forward within this amendment or not?

Thanks,
