Hello Karen,

In follow-up to our telephone conversation, the KIA comments were addressed during the NIRB screening process.

Attached you will find Agnico Eagle's response dated August 31st, 2016; it can also be found on the NIRB registry under "comment submissions" of the "NIRB File No.: 11EN010; Application # 124668: Status: Completed Screening / Project Type: Exploration".

Thanks,

Ryan

Hi Ryan,

KIA provided their comments sometime before the NWB comment period, I guess this is the reason that they were missed for AEM responses.

I will appreciate if you could go through them and provide responses, if needed, asap.
