Dear Ms Beaulieu,

Re: Licence 2BE-MEA0813

Please find enclosed payment of \$951.85 for the annual water used fee, based on the water quantity authorized by the licence. The global amount for the year 2011 was \$981.85, of which I withdrew the administration fee of 30.00, which was already paid to the Nunavut Water Board.

Best Regards,

David Frenette
Environment and health & Safety Coordinator
