Good afternoon David. Just a note to let you know that the fees that are owing on the above file should be as follows: (if the amendment is issued on February 27, 2015, as planned).

For the period from March 7, 2014 to March 6, 2015 a total of \$981.85 was paid. Taking into account the current increase in water the amount needs to be changed to \$960.43. For the period of Feb 27, 2015 to March 6, 2015 the amount owing would be \$23.92 (to cover the increase from 269 m3/d to 299 m3/d). The amount for March 7, 2015 to March 6, 2016 is \$1094.34. A copy of a water fees calculator tool is attached for your reference.

This may seem confusing so if you have any questions please contact our office.
