GROUP PROJECTS

Dear Mr. di Pizzo:

Please find enclosed two copies of the Camp Layout Map for the Meliadine West Gold Project and the MSDS sheets for Calcium Chloride. These were inadvertently omitted from the NWB Water Permit Application sent to your office this morning. Please insert these into the appropriate place in each copy of the application.

I apologise for the oversight on my part. Once again, if you have any questions or comments, please do not hesitate to call either myself or Joe Campbell at the WMC International Ltd. office at 613-727-3937 or Ben Hubert at 403-256-0017.

Sincerely,

Alan J. Sexton  
District Geologist, Wesmeg
