

MEMORANDUM

To: Philippe di Pizzo
From: David Porter
Subject: NWB1MEL
Date: February 9, 1999

Philippe,

Enclosed you will find a request for renewal for a water use permit, from WMC International Ltd dated December 18, 1998 to conduct a mineral exploration activity and diamond drilling program in the Meliadine Lake area near Rankin Inlet. Under their current Federal LUP # N1998CO896, and the KIA LUP is pending.

The application was screened by NIRB, and concerns were expressed from the following through the NIRB screening process.

January 8, 1999	Charles Arnold, Director - Culture and Heritage Division
January 21, 1999	Margaret Keast, Habitat Biologist - DFO
January 23, 1999	Carey Ogilvie, Environmental Assessment Coordinator - Environment Canada
July 22, 1998	Carey Ogilvie, Environmental Assessment Coordinator - Environment Canada
January 26, 1999	Mary Ann Issaluk, Aqigiq HTO - Chesterfield Inlet
January 26, 1999	Ann Wilson, Water Pollution Specialist - Environment Canada

This project is now ready for the Board's decision and or approval.

David
