Subject: Receipt of Application for Water Permit Amendment – Meliadine West Project

Dear Mr. Deveau:

The Nunavut Water Board acknowledges receipt on April 20, 2000 of the following:

- Application Form
- Supplementary Questionnaire
- Letter dated April 20, 2000

As indicated in your letter, we are expected your maps and amendment fee via courier. A receipt will be issued upon receipt of the fee.

At this point, your application is still missing an executive summary that must be in both English and Inuktitut. As this has been checked off on your application form, we trust that this is being forwarded by courier as well. If not, please forward these to our office as soon as possible.

This project is subject to screening by the Nunavut Impact Review Board and has been sent for their determination as to whether they require screening or further review or if it can be processed by the Nunavut Water Board.

We ask you to make available to the public, free of charge, copies of all documents pertaining to this application.

You will be contacted should additional information or clarification be required.

Sincerely,
Original signed by:
