Subject: Receipt of Renewal Application for Meliadine

Dear Mr. Deveau:

The Nunavut Water Board acknowledges receipt of the following by e-mail on January 5, 2001:

- cover letter dated January 4, 2001
- application form
- supplementary questionnaire

As indicated in your letter, we look forward to receiving the 1999 project status reports in English and Inuktitut, the renewal fee, and maps. However, there was no mention of any executive summaries in your cover letter. Please note that in order for an application to be deemed complete, we would need an executive summary of the renewal application in both English and Inuktitut.

This project is subject to screening by the Nunavut Impact Review Board and will be sent once the application is complete for their determination as to whether they require further review or if it can be processed by the Nunavut Water Board.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application.

Sincerely,
Original signed by:
