Re: Meliadine Lake Project

The Nunavut Water Board received an application for permit renewal on December 5, 2002 from WMC International Ltd. for exploratory drilling. Notice of this application will be posted at local organizations in Rankin Inlet, Chesterfield Inlet, Whale Cove and Baker Lake.

The following documents are available through the internet on our ftp site at <ftp://ftp.nwb.yk.com> in the folder "NWB2MEL".

- cover letter dated December 2, 2002
- executive summary in English and Inuktitut
- application form
- supplementary questionnaire
- application fee
- letter re waste disposal with map included
- fuel management and spill contingency plan
- other maps
- environmental baseline reports

Please note that we also received a Fuel Management and Spill Contingency Plan along with this application. We would appreciate your review of this report along with the application, and forward comments as required.

**NWB2MEL0103** has been reviewed by NPC for conformity with the appropriate land use plan, is currently being screened by NIRB, and will be processed by the NWB once NIRB has completed their review. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **March 17, 2003**.

Sincerely,
