**RE: 2BB-MEL0914 Type "B" – Amendment No.3**

---

Dear Mr. Balog:

On March 9, 2010 the NWB acknowledged receipt of the Amendment 3 application for Licence No. 2BB-MEL0914. The NWB has since had the opportunity to conduct a preliminary technical review of the application to resume bulk sample activities. Prior to posting public notice of the application and the public review period, the NWB requests the Licensee submit updated and revised project plans which reflect the bulk sample program as proposed.

Should you have any questions on the above, I am available by phone (867) 360-6338 ext. 30 and by email to [dcarr@nunavutwaterboard.org](mailto:dcarr@nunavutwaterboard.org).

Sincerely,
