information

Luke – Sending this by fax just in case your internet is still not working properly. Please
note that this is a renewal application. The file was previously reviewed by NPC in
February 2003. At that time the license was issued to WMC International. In June of 2004
the license was assigned to Comaplex Minerals.

If you do not receive all pages, please call (867) 360-6338 ASAP.
