Good morning Maria, Richard;

The above noted amendment request (2BB-MEL0914 – Drilling) – will not require an NPC conformity determination. The Proposal/application was reviewed under a 2BB MEL0914/KIA KVL102J16B file on March 8, 2010 and given a positive determination. I have attached the undertakings agreed to by the proponent from that review. They are to be included in any authorization issued.

Any questions, concerns, please do not hesitate.

Brian Aglukark, NPC  
Arviat

The applicant has undertaken to comply with the attached requirements. The authorizing agencies to which this letter is addressed are responsible under the *Nunavut Land Claims Agreement* to implement any of the attached requirements by incorporating the requirements directly, or otherwise ensuring that they must be met, in the terms and conditions of any authorizations issued.

My office would be pleased to discuss with these agencies how best to implement these requirements and to review any draft authorizations that the agencies wish to provide for that purpose.

This conformity determination applies only to the above noted applications as submitted. Therefore, the proponent must ensure other applications for a permit under this project proposal not listed above are forwarded to NPC for a conformity determination against the KRLUP, and please notify the NPC immediately if any material change to the project proposal is made before authorizations are issued.

Yours Truly,

Q

Brian Aglukark, Director Regional Planning
