Dear Ms. Bolt, Mr. Kavanagh

RE: AANDC File N2011F0024 – AEM – All Weather Road Sept 2011 (Meliadine Gold Mine Project)

The Aboriginal Affairs & Northern Development Canada (AANDC) license application/proposal listed above N2011F0024 (AEM All Weather Road) was reviewed for conformity against the Keewatin Regional Land Use Plan (KRLUP) and given a positive determination on April 1, 2011. After reviewing the file, NPC finds that the above application/proposal does not require the proponent to agree to terms which were previously agreed to. Therefore no conformity determination is needed.

I have attached those terms in which the proponent undersigned with this letter which the AANDC, as a recognized authorizing agency under the *NLCA*, is responsible to implement the attached requirements by incorporating the requirements directly, or otherwise ensuring that they be met, in terms of the conditions of any authorizations issues.

My office would be pleased to discuss these with you how to best implement these requirements and to review any draft authorizations that you wish to provide for that purpose.

Thank You

Brian Aglukark, NPC
