Re: Application Pending Authorization and NPC Conformity for the “Meliadine Gold Underground Exploration and Bulk Sample Extension” Project Proposal

Dear Mark Balog:

The Nunavut Impact Review Board (NIRB or Board) received the “Meliadine Gold Underground Exploration and Bulk Sample Extension” project proposal from your office on March 2, 2010. The project proposal submission included the following documents:

- *NIRB Part 1 Summary Application Form in English and Inuktitut*
- *NIRB Part 2 Summary Application Form in English and Inuktitut*
- *Maps*
- *Non technical Project Proposal summary in English and Inuktitut*

Once a request from an Authorizing Agency is made, the NIRB will carry out screening of the Project Proposal in accordance with Article 12, Part 4 of the Nunavut Land Claims Agreement.

Furthermore, your project appears to be in an area which requires conformity to the Keewatin Land Regional Land Use Plan. Pursuant to Article 11 of the Nunavut Land Claims Agreement (NLCA), the project proposal must be sent to the Nunavut Planning Commission (NPC) for a conformity determination with this Plan. This can be done by contacting Brian Aglukark at the NPC via telephone at 867-857-2242 or via email to aglukark@nunavut.ca.

If you have any questions or concerns, feel free to contact an Environmental Administrator at the NIRB at info@nirb.ca.

Sincerely,

Maria Quqsuut
Environmental Administrator
