**Subject:** \$30

Hi Phyllis,

Wanted to check and be sure that the \$30 cheque was found for our renewal. I sent a fax to Richard some time ago saying the cheque went out in November, but to the wrong address. It was still made out to the Receiver General of Canada. And it was cashed. Is this alright? I have tried to call and email both you and Richard several times in the last few days with no success. Please let me know. Thanks.
