RE: Water Licence 2BB-MEL0914 Security

To date Indian and Northern Affairs Canada has not received the security deposit required from Comaplex Minerals Corp. (Comaplex) as per the Nunavut Water Board's Water Licence 2BB-MEL0914 issued on July 31, 2009.

In **SECTION III: General Considerations, Sub-Section (A)**, Comaplex is required to furnish and maintain security in the amount of Six Hundred and Thirty Nine Thousand Dollars (\$639,000), in a form acceptable to the Minister of Indian and Northern Affairs Canada.

To date the security has not been provided and therefore it is imperative that Comaplex take the necessary steps to remedy their non-compliance with Water Licence 2BB-MEL0914.

Please provide the required security by May 12, 2010 or a detailed written explanation of what steps you intend on taking to correct this matter, including firm timetables for implementation.

Yours truly

Original signed this date.
