Subject: 2BB-MEL0709 Spill Plan

Dear Ms. Barham,

The NWB acknowledges receipt on July 11, 2008 of a Spill Plan under Part H, Item 1 of License 2BB-MEL0709. The Plan was found to meet the requirements set out in the May 6, 2008 letter. Please note that the submitted Plan provides no reference to MSDS as requested in the May 6, 2008 letter. The NWB requests written verification that MSDS current of 3 years for all chemicals, is located on site. An email acknowledgement will suffice.

Sincerely,

Don Carr, B.Sc.
