Re: Water Licence 2BB-MEL0914: October 2009 Monthly Report

Dear Ms. Beaulieu;

Please find attached Comaplex's monthly report for October 2009.

The camp was closed for the winter on October 5. Exploration activities are expected to resume April 2010 as will monthly reports.

Water use for MEL-1 for the five days averaged 1.9 m³/day. There was no diamond drilling and no water was used at MEL-2.

We trust this report meets with the Board's satisfaction.

Yours sincerely,

John Witteman
Environmental Consultant to Comaplex
