Subject: Application for Quarry Permit and Extension for LUP N2007F0004

Good Afternoon,

Please find attached a copy of the request for an extension pertaining to LUP N2007F0004 (07EN012) submitted by Baffinland Iron Mines Corp. as well as a copy of the acknowledgement letter which was sent to the Permittee.

In addition, the Permittee has also submitted an application for a quarry permit. Baffinland Iron Mines Corp. has indicated that they will be using the same location for their quarrying activity as was indicated in their applications for 2007, 2008 and 2009.

Please provide comments relative to this information by May 27, 2010.

Have a Wonderful Day,
