Re: Request for Extension – Notification and Call for Comments from Interested Parties on the Proposed Nunavut Water Board Initiated Amendment No. 1 to the Scope and Associated Terms and Conditions for the Undertaking and Security Provisions of the Type “B” Water Licence 2BB-MRY1114

Dear Phyllis Beaulieu:

Thank you for distributing the notification and call for comments on the proposed Nunavut Water Board (NWB or Board) initiated amendment to the scope and associated terms and conditions of the Type “B” Water Licence 2BB-MRY1114 on September 27, 2013. The Board is seeking comments from interested parties on or before 4 p.m. MST on October 11, 2013, a comment period of 14 days.

Aboriginal Affairs and Northern Development Canada (AANDC) would like to request an extension of **one (1) business day** to complete a more thorough review of the proposed Board Initiated Amendment No. 1 with a revised submission date of October 15, 2013. Given that the Iqaluit office lost a day due to bad weather and frequent power outages and recognizing that this amendment involves the overlap of components between both the Type “B” Water Licence 2BB-MRY1114 and the Type “A” Water Licence 2AM-MRY1325, AANDC would appreciate additional time to ensure due diligence in conducting our review.

Thank you for your consideration of this request.

Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4282 or by e-mail at Ian.Parsons@aandc-aadnc.gc.ca

Regards,
