Ms. Phyllis Beaulieu:

Further to the issuance of the above referenced approval, dated September 10, 2008, and our telephone conversation earlier today, BIMC is requesting a two week extension to the submittal date for an addendum document which addresses comments on the design report received from Indian and Northern Affairs Canada, Environment Canada, and Qikiqtani Inuit Association.

Based on this request, the proposed submittal date for the addendum document would be October 24 rather than October 10, 2008.

Please contact me at your earliest opportunity if you have any concerns about this request for extension.

Sincerely yours,

Jim Millard, M.Sc., P.Geo.
