Thanks Karen, we are well on our way to responding. Unfortunately today is a holiday in BC so we hope to have a draft response tomorrow which we hope to discuss and have agreement with KIA before we submit to you. This way we can limit or remove the need for additional time for KIA to provide a response on our 2nd submission.

We will provide more information late tomorrow.

Matthew

Hi Merle,

The KIA submitted additional comments regarding Sabina's responses and additional information. I thought I should forward these to you now as you may want to go through them during the weekend.
