Subject: Request for Cancellation of Water Licence **2BC-WTP1819** and **8BC-AEA1525** – Agnico Eagle Mines Limited

Dear Ms. Manon:

This letter acknowledges receipt on October 3, 2018 of applications from Agnico Eagle Mines Limited to cancel Water Licences 2BC-WTP1819 and 8BC-AEA1525. In accordance with Section 43(1) (c) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*, the Nunavut Water Board (Board or NWB) may cancel a licence on application by the licensee.

To ensure these applications are dealt with in a timely fashion, the NWB forwards notices of all documentation to regulators and council of the municipality(ies) most affected by the project, inviting interested parties to make representation directly to the NWB **November 5, 2018**. The NWB may provide additional procedural instructions once the application has been reviewed by interested parties.

The Board acknowledges receipt of Crown Indigenous Relations and Northern Affairs Canada of final site inspection.

Sincerely,

Richard Dwyer
Manager of Licensing
