Good afternoon,

Please find attached NWB Technical Review of the 2023 Annual Report for West Kitikmeot Resources Corporation's (Formerly West Kitikmeot Gold Corp) Water Licence No: 2BE-ABP2328.

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
