RE: NWB Technical Review of 2024 Annual Report for the Arcadia Bay Project; Water Licence No: 2BE-ABP2328

Dear Elliot Holland and Tara Gunson,

The Nunavut Water Board (NWB or Board) has completed the technical review of the 2024 Annual Report (Report) for the type B Water Licence No: 2BE-ABP2328.

On March 31, 2025, the NWB acknowledged the receipt of the Annual Report for the year 2024 and provided it to the Kitikmeot distribution list for information. No comments have been received to date.

The technical review of the Report found that the information addresses the requirements of the Licence. The NWB notes that no exploration activities took place at the Arcadia Bay Project in 2024, and the project activities were limited to offloading freight from a barge and establishing a fuel cache. No water uses or waste disposal activities occurred in 2024.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 (extension 32) or nidhi.singh@nwb-oen.ca, at your earliest convenience.

Sincerely,

Nidhi Singh
Nunavut Water Board,
Technical Advisor
